The Word This Week

The Church's year is drawing to a close: in a few weeks we will be thinking very clearly about the end of time - but here we have a preview. The parable of the banquet is a link between the Gospels of recent weeks (which have as their theme: 'Just who is going to be saved?') and the looking forward to the end times which will follow.

The big danger is complacency: we are baptised, we go to Church, we've got our invites to the wedding. But when the big day comes, will we be ready for it? Or will our thoughts be on the other things of life? Jesus speaks of himself as the Bridegroom, and today points out to the chosen people that they are in danger of missing the celebration. Our faith is that the Bridegroom will come again; let us be careful that the same parable is not addressed to us.
